Wedding of Aidan Corcoran and Ai Higashibori.

Dear Mark

We had a wonderful day at the Wedding Reception of our Son Aidan to Ai at Malahide Golf Club on August 22nd leaving us with a great joy that all our guests and particularly our Japanese guests experienced Irish Hospitality in an excellent venue with top quality catering.

From the moment we arrived everyone was put at ease with the warm reception and friendly atmosphere as smiling staff welcomed our guests at the drinks reception—the red carpet treatment and champagne for the Bride and Groom was very professionally done by Gerry.

The Club looked amazing as is borne out with the photographs. The care given all year to the flowers on the Balcony paid off well and we saw the blooms in vibrant colours on a most beautiful sunny day. The magnificent Atrium with high ceiling and stairwell with flower garlands is best appreciated with the Bride ascending with a huge smile to meet her guests. The tables so professionally set with crisp white linen with the backdrop of the panoramic views of the course made for a great surprise when the dividing doors were drawn back for the meal.

A big thank you to Gad , Ali and team and Gerry, Mary and team. From the moment we enquired last September all showed keen interest, aimed to assist in every way, met us at times to clarify and go over everything, always ending with the reassurance its the Brides Day and all wanted it to be remembered as everything the Happy couple wanted.

To the chef Sam and team I must say a special thank you. I had spoken to Gad and chosen the menu and I was always confident of his sincerity in aiming for a quality experience. But the food surpassed all expectations of presentation and continuous superb freshness as each course came.

People are still recalling how tender the beef was with such flavour, how the fish was perfect , the presentation, the smart service, extra helpings particularly of the beef, followed by the scrumptious deserts . The Dublin Bay Prawns so well appreciated by the Japanese. I could go on,the soup, the canapés, etc which were magnificent. Thanks to a great team.

We experienced one of the best days of this years Summer , and there is a lovely photograph taken with the rays of the setting sun and light fading on a smiling bride bringing to a close a perfect day. However, we would recommend the Golf Club as a wonderful wedding venue at any time of the year.

In appreciation we have sent copies of some of the photographs which you may use as you wish.

Yours sincerely,
